

# Straddlelift Safety Training

Friday • October 2, 2020 (Alternate weather date October 9)

Front Street Shipyard • 101 Front Street • Belfast, ME

## Course Fee:

MMTA Members \$210.00/person\* • Non-Members \$275.00/person\*

\* Discounts apply if paying by check

MMTA • 207.773.8725 • [www.mainemarinetrades.com](http://www.mainemarinetrades.com)

This course covers best practices for haul & launch preparations, lift operational safety, sling placement, basic equipment maintenance including slings & cables, as well as blocking and boat stand usage – all with an eye toward the safe operation of the machine. The class is comprised of two components – classroom & demonstration. Participants who successfully complete the written test will receive a Certificate of Completion. Course fee includes handout materials, morning coffee & lunch.

**PLEASE NOTE:** This class does not include straddlelift operation by students.

## Agenda

9:00 CLASS BEGINS: **We will be taking safety precautions for spacing of attendees. Please bring masks!!**

- Welcome/Introductions
- Training video, questions, comments, sample worksheet
- General Info - preparing for haul-out
- Sling Placement
- Safe Operations and Signals
- Blocking and Boat Stands (work on sample worksheet)
- Basic Maintenance – Daily/Monthly
- Review check lists (then do same on machine)
- Written Test

3:00 p.m. Class ends

**Who Should Attend:** Equipment operators, members of the yard crew who engage in moving boats with a mobile hoist, people who supervise these crews, people who are responsible for the regular maintenance of this machinery, people you are grooming to become equipment operators.

**About our Instructor:** **Dean Pike** - founded Moose Island Marine in Eastport in 1980 and has repaired and stored boats since that time. When Washington County Community College acquired a 60-ton Travelift in 1984 Dean was one of the first operators for the School. During this time he has hauled and launched a variety of recreational and commercial vessels from 23 – 70 ft. Dean has also served as a Boatbuilding Instructor at The Boat School.
