

Benefits of Membership

A unifying voice in Augusta and beyond – providing testimony and representation on task forces, advisory councils, and working groups.

Keeping members informed– MMTA tracks legislation, regulations, and compliance issues so you don't have to dig through them yourself.

Compliance assistance– MMTA can raise questions or concerns with regulators on your behalf, including anonymously when needed.

Connections and referrals – A trusted network for business referrals, letters of support, and peer insight.

Workforce and training support – Access to safety, technical, and compliance training, along with current industry wage data.

Stronger industry relationships – Build connections with businesses that support and depend on one another across Maine. Our members do business with other members.

“Joining MMTA was a great decision. They have helped raise awareness of our brand and services. The annual meeting was both informational and great for networking. Thank you for always being a partner in our success.” - **Ken Duncan** • Barefoot Marine Decking

ADVOCACY

“As a small Maine business directly tied to the Marine Industry and Trades, the MMTA has been invaluable in helping our business digest the constant flow of bureaucratic challenges that affect business in both the regional and national level.” - **Matthew Lazcano** • TCS Reps

COLLABORATION

“What sets the Maine Marine Trades Association apart is the way they bring the industry together and advocate for the needs of Maine’s boatyards and marinas. Their leadership helps ensure that our maritime economy remains strong, vibrant, and well-positioned for the future.” - **Jason Curtis**, Vice President of Operations • Portland Yacht Services
